Dear : Paul

Reason : Fund raising for church building

I, Elijah, have been ministering in Daung Chaung village, Rakhine State, Myanmar over six years. God has been graciously given 24 families (30 males and 42 females)who are baptized in my mission field. And there are, 37 children under 12 years and totally they all are 109 members in my mission field. The believers come and worship together on every Sunday. We have been running all the worship services and Sunday school classes in staff residence. We not only focus on church planting but also focus on evangelizing to have strong spiritual life and transforming physical lives who are under poverty. As the members have been increasing, we are in need of gathering Hall. So we are praying and planing to start gathering hall. The gathering Hall is 60'x25' and high 13 feet. The gathering Hall will be used for worship service, primary classes and seminar for drug addited people. So we humbly request you to support us by prayer and financially as much as you can.

Sincerely,

Pastor Elijah
